Mission Trip

28 September—15 October 2023

Annette, Simon and Karen are going to Bangladesh and Thailand to spend a week at each of the mission organisations we as a church support. We will be working alongside Ross and Cindy Meyer while staying at a children's hostel near Dhaka and sharing Jesus with the children. In Thailand we will be staying at Manna Home where we will run a holiday programme so that the staff can have some time to rest. We will be taking up a Love Offering that will be split evenly between the two places that we will stay at. If you wish to give, please mark it mission trip. We would appreciate lots of prayer as we prepare and while we are away.

Debt Centre

Jenny is working with a client. We also have clients that are on the journey, 1 year, 1 month until they are debt free!

Praise: For the connection between the Church and the P2P Help Trust and the things we can achieve together. For the food parcels I have been able to make up and take along on visits to clients.

Prayer: that people would experience the love of Christ through this service. For more clients.

Budgeting Course. Is due to start on 7 August. We have two participants for this course. You still have time to let people know about this great course.

Praise: For the two participants who have registered for the course.

Prayer: For the technical side of the presentation that it would go well and the participants would gain an understanding of how to spend, budget and save well.
